

(Belt #2)

SENATOR DE CAMP: Mr. President, in conjunction of what we are doing now, I have a motion up there that I would like to take up.

SPEAKER: If it is to suspend the rules, I'll honor the motion.

CLERK: Read motion.

SPEAKER: Seantor DeCamp.

SENATOR DE CAMP: Mr. President, apparently we are going to go by now, is fine by me. I just want to say. I will make one final attempt to get the things on General File which is why we were all sent down here. I don't suppose that there are 30 votes, but I think that we avoid handling them and keep playing the game that we have played there are going to be a lot of new faces, probably mine among them but there are going to be some others with me.

SPEAKER: Seator Whitney.

SENATOR WHITNEY: Mr. President, I think that when the people voted to have us in session 60 days, the second session that is what they meant. I think that is the situation that we are in now.

SPEAKER: Fine, are you ready for the question? The question is Senator DeCamp's motion to suspend the rules and as I understand it go immediately to the General File on underlined bills is that correct Senator DeCamp?

CLERK: Then permit a maximum of 10 minute debate on each bill.

SPEAKER: Senator DeCamp, you may close.

SENATOR DE CAMP: Mr. President, just a couple of ideas, a 50 day session isn't necessarily good or bad, it is only what the
