to expedite everything by saying move all the bills on Select File. That is when you will see the mice run. Because there are two bills now, 932 and 933 which I wanted to discuss but while I was gone, the mice put them over on Select File, so now I want to see the mice suffer a bit longer. You are not going to stop being a mouse in one day when you have been one for 56 days. So I am opposed to Senator Barnett's motion and all of you who believe in the right of a Senator to have full and total understanding of these bills, which a minute ago was brought into sharp focus by Senator Goodrich to show that English is not understood in this body. That motion doesn't have to be explained. When it is read and if you sure understand it and if you understand English. Now to make sure we understand what we are voting for on General File, I'm in agreement. We have every bill read word for word. I am opposed to Senator Barnett's motion.

SPEAKER: Senator Dickinson and then Senator DeCamp.

SENATOR DICKINSON: Mr. Speaker, I agree with Senator Barnetts motion Mr. President, and members of the body, I move the previous question.

SPEAKER: Do I see five hands? The question has been called for. All those in favor of ceasing debate vote aye, those opposed vote no. Clerk will record.

CLERK: 31 ayes, 0 nays.

SPEAKER: The Debate is ceased. SENator Barnett you may close.

SENATOR BARNETT: Mr. President, members of the legislature, I'm not going to have much of a closing. You caught hell from one side, and I told you what the Pied Piper is going to do on the other side, and I think that the respect of this body that it is at stake and as Senator Chambers has said you know we have got rights as a Senator and I want to you to know something else. You have rights as a group as to how you want this organization to run and here is a chance to show it. Tell the Pied Piper, wish him good luck on his actions and his motions and his moves to take over the Chair and later on in another year. Wish him luck there but at this time let him whistle with no followers.

SPEAKER: Senator Barnett has closed. Question is shall the rules be suspended and the bills not be read in full. All those in favor vote aye, those opposed vote no. Have you all voted? A record vote has been requested.

SENATOR CARPENTER: I want the people of this state to understand that we don't know or want to know what is in these bills.

SPEAKER: Clerk will record.

CLERK: 33 ayes, 9 nays and 7 not voting. Vote appears on page 1468 of the Legislative Journal.

PRESIDENT: Motion carries, rules are suspended and the bills
