

SPEAKER: Senator Schmit, LB934.

CLERK: Read amendment.

SENATOR SCHMIT: Mr. President, members of the legislature, these two corrections here refer to actually, they are only misprinting in the bill. It could have been corrected on E & R but the committee chose to correct it in committee. I move the amendments be adopted.

SPEAKER: Senator Schmit has moved for the adoption of the committee amendments, any further discussion? Senator Carpenter.

SENATOR CARPENTER: Now do we have 10 minutes on the committee amendment or just...

SPEAKER: Clock is running the debate of the bill, this is all debate of the bill as I understand it, Senator. Senator Goodrich.

SENATOR GOODRICH: I would like Senator Schmit to explain exactly what is in these amendments, each one of them.

SENATOR SCHMIT: I will be glad to do that Senator Goodrich, if you will listen carefully and dig your book out and read line 14 beginning at the sentence it reads violation of any provision of law pursuant to this section. Now we amended that to read, violation of any provision of law, pardon me, of this act, shall subject the operator to suspension of the registration issued under this act and in addition any person violating any provision of this and we changed the word section to act, because it is an act and we did not want to refer to just one section. One line 21, we we again changed the word section to act, so that it would refer to the entire act rather than to one section of the bill.

SPEAKER: Senator Goodrich.

SENATOR GOODRICH: I would like him to repeat it because he didn't give me time to get the book open.

SPEAKER: What is your request Senator Goodrich?

SENATOR GOODRICH: I just want this body to know how ridiculous it can get today.

SENATOR SCHMIT: I think that you have demonstrated that plenty of times Senator Goodrich.

SPEAKER: Senator Carpenter, your light is on. Senator Carpenter passes, now you heard the explanation by Senator Schmit of the committee amendments, are you ready to vote? All those in favor of the amendments vote aye, those opposed vote no. Clerk will record.

CLERK: 32 ayes, 1 nay Mr. President.

SPEAKER: Amendments are adopted. Any further amendments?

CLERK: None.

SPEAKER: Senator Epke.
