Marvel amendment. Is there another...Senator Stahmer has another amendment. Yeah, we'll lay them all over, right. Are there objections to doing that? Taking the bill up this afternoon first thing? Hearing none, so ordered then. We'll bypass LB632. Wait a minute, I'm not sure I heard that in any motion. What was the jest of your motion, Senator Stahmer? You want to just pass over this one, I understood. Senator Stahmer.

SENATOR STAHMER: I'm not so sure Vince doesn't have a better idea. Pass over all bills with amendments and shoot through the ones without amendments to help the staff downstairs. I think that's better yet and then we can take up bills this afternoon with amendments.

PRESIDENT: I don't think we can go back on your unanimous consent and catch that one. I think we're going to bypass this one now...but wait a minute, hold tight....just a minute yet here. All right, now, let's go back to this just a moment. Let's make sure the Body understands what we're doing. What we're going to do in order to aid the staff, we're going to pass the bills off of Select File that have no amendments. Only E & R Amendments, okay? Then the bills that have amendments, etc., we'll come back and catch this afternoon then. But in this instance on LB632, we will get those amendments out to the Body. Okay? All the amendments that are proposed on LB632. Now then, please do me a favor and if you have your lights on, would you please turn them off. Senator Fellman, yours is on. Would someone punch off Senator Warner's over there so I can start with a clean board up here? All right, we'll catch it in a minute here. Okay. Go from there. We bypass LB632. Are there amendments? Go ahead, Senator Cavanaugh, back to you.

SENATOR CAVANAUGH: I'll just go down the list and you tell me if there's amendments, right?

PRESIDENT: Okay.

SENATOR CAVANAUGH: Okay. LB691's okay?

PRESIDENT: Oh yeah.

SENATOR CAVANAUGH: I move the adoption of E & R amendments to LB691.

PRESIDENT: You heard the motion to adopt the E & R amendments to LB691. All those in favor of the motion please say aye. Those opposed say no. So ordered, the amendments are adopted.

SENATOR CAVANAUGH: I move LB691 as amended be advanced to E & R for Engrossing.

PRESIDENT: You've heard the motion now to advance LB691. All those in favor of the motion say aye. Those opposed say no. So ordered, the bill's advanced.

SENATOR CAVANAUGH: I move the adoption of E & R amendments to LB938.

PRESIDENT: The motion is to adopt the amendments to LB938. All those in favor of the motion to adopt the amendments say aye. Those opposed say no. The amendments are adopted.
