

May 23, 1975

going to say, 'Governor Cuts Taxes'. If you don't wait to see if you need the money to raise the taxes, they can get you in a mouse trap without cheese. If you don't recognize that we're going to have a little seminar this summer on political science. I'm not interested in what we're doing. Let me tell you if the bill is voted on now I plan to vote no, so I can join the great crusade in saving the people money. Regardless of what Murphy says, they don't even know who Murphy is in my district. As an aside, they don't really give a damn who he is. They're going to know that F. Lewis voted no to raise the taxes. That's the popular thing. If we're not going to spend the money, you bet your sweet biffy I don't want to raise the taxes. I ask you to bracket the bill.

PRESIDENT: The question is Senator Lewis' motion to bracket. Record. Record the vote.

CLERK: 12 ayes, 26 nays.

PRESIDENT: Motion fails.

CLERK: Mr. President, LB . . .

(machine turned off)

PRESIDENT: LB 600 passes.

CLERK: Mr. President, your Enrolling Clerk reports that she did on this day at 2:20 present to the Governor for his approval 571, 571A and 525 and 525A. Signed, Jan Loder.

Mr. President, your committee on Enrollment and Review reports that we have examined and reviewed LB 577 and find the same correctly enrolled.

PRESIDENT: We're off Final Reading, if it makes much difference. While the Legislature is in session and capable of transacting business I have signed LB 577. Senator Savage.

SENATOR SAVAGE: I'd like to complete my Committee on Committee report, if I may, at this time.

PRESIDENT: Proceed Senator Savage.

SENATOR SAVAGE: Our final meeting was held yesterday. We had the most noncontroversial group since the beginning of the legislative session. Frankly, the quality was so good of the Governor's appointees that I was instructed, on a motion by members and seconded, that a unanimous vote to send the letter to the Governor telling him how good they were, complimenting him on his choice. I would like to take these all in a group to save time, if I may. Do I have unanimous consent to do that?
