PRESIDENT: It is the practice of the Clerk to correct obvious errors of that kind. This is done time and time again on Final Reading, to return the bill to Select File for specific amendment. I have not inquired of the Clerk but I think it would be the Clerk's intention to change the motion as the Clerk does many, many motions to make it conform with the mover's intent and I would imagine that will be done in this case.

SENATOR KIME: Mr. Chairman, I make that request.

PRESIDENT: Well, they would do it without a request. It is always done that way.
