

February 9, 1976

At the present time in Western Nebraska, right now, there's two men who have escaped from the Dawes County Jail. They're running at large up there. The Sheriff doesn't want to announce to the world where these fellows are or anything like that. They're just ... they just call up their special deputies and tell them to get out there and block the road at a certain place, or use their own judgment. That's what they do. They are trained. They know what to do and how to do it.

I think that the only thing that we can do now is to indefinitely postpone this bill.

PRESIDENT: The question is Senator Kime's amendment to strike the enacting clause of LB 432. Record your vote. Have you all voted? Please vote. Record. Yes, Senator DeCamp.

SENATOR DeCAMP: How many are excused today?

CLERK: There are four excused.

SENATOR DeCAMP: Let's have a roll call vote. Call of the House first.

PRESIDENT: What? You want to put the House under Call first?

SENATOR DeCAMP: Yes, might as well.

PRESIDENT: Alright, the question is shall the House go under Call. Record your vote. Record.

CLERK: 19 ayes, 11 nays to go under Call.

PRESIDENT: The House is under Call. There's been a request for a roll call vote. All Senators please return to your desks and record your presence. Four Senators are excused so that means that we should not start the roll call until there are 46 ... 45 lights. Please record your presence as rapidly as possible. Will the Sergeant-at-Arms assist in securing the presence of all members. Senator Schmit, would you record. Would one of the Pages or the Sergeant-at-Arms find Senator Wiltse. Senator DeCamp, we have 44 out of 45. Do you wish us to commence the roll?
