

LB 984, 691
LR 160, 176, 177, 110

March 25, 1976

this, I think that it is terribly important to the people of Nebraska when we have 7,000 cases a year in this state, but we must at least go this far.

PRESIDENT: The question is the adoption of Senator Chambers amendment to LB 984. Record your vote. Record.

CLERK: 26 ayes, 8 nays Mr. President.

PRESIDENT: The amendment is adopted. Senator Stull has asked me to announce that under the south balcony the parents and the sister of one of our Pages, Mr. & Mrs. Don Reynoldson and Sue are with us, they are the parents and sister of Page Bob Reynoldson. Thank you for being with us. Motion to advance Senator Simpson.

SENATOR SIMPSON: Mr. President, I move to advance 984.

PRESIDENT: All in favor say aye, contrary say nay. The bill is advanced.

CLERK: LR150 is correctly enrolled.

PRESIDENT: While the Legislature is in session and capable of transacting business, I propose to sign, and do hereby sign LR 160.

CLERK: Mr. President, LR176 introduced by Senator Mahoney. Read and laid over.

LR177, referred to the Executive Board.

Senator Stoney moves to reconsider our action on LR110, this will be read and laid over.

PRESIDENT: That will be laid over.

CLERK: Mr. President, we are ready now for motions to return LB691. Read DeCamp motion.

PRESIDENT: Senator DeCamp.

SENATOR DE CAMP: Mr...

PRESIDENT: Now this is a motion to return but during this session we have pretty much followed the procedure of debating fully the motion to return rather than the amendment itself. I do recognize you Senator DeCamp.

SENATOR DE CAMP: Mr. President, members of the Legislature. This involves state aid and the way the money for it is distributed. The affect of this amendment would be to distribute more nearly on a per capita basis and give less attention to equalization. If there are any questions, I have no further information.

PRESIDENT: Senator Warner apparently has a question.
