SENATOR BURBACH: I would move, as was a suggestion on my part before, now I would move that LB 182 be held in possession of the Legislature until disposition has been made of LB 987.

PRESIDENT: Alright that's a motion. Could you make that a Speaker's order?

SENATOR BURBACH: I would like to ask unanimous consent.

PRESIDENT: Is there an objection? Seeing none that's the Speaker's order. Please read LE 313.

CLERK: Read title to LB 313.
