LB 40 thru 54

PRESIDENT: Please record your presence. Have you all recorded your presence. Record, Mr. Clerk.

CLERK: Quorum present, Mr. President.

PRESIDENT: At the time we suspended debate, we were considering Senator DeCamp's amendment which related to the number of bills that could be introduced. We had already defeated an amendment to that by.....yes, Senator.

SPEAKER LUEDTKE: You were not present, you didn't know, we did not finish reading in all of the bills, and since that was first on the agenda, I think it would be well so that we can get these bills printed that we at this moment finish reading in the bills if we can. So if the Clerk would proceed.

CLERK: Mr. President, the first order of business we have is a report of the Committee on Committees setting forth the committee assignments which were adopted last night.

PRESIDENT: All right. The Chair recognizes Senator Savage. You have heard the motion. The motion is to adopt the report of the Committee on Committees. Is there any discussion? Senator Carsten.

SENATOR CARSTEN: Mr. President, only a question of information. Are there any records of the action and the operation of the Committee on Committees at all for public knowledge?

PRESIDENT: Senator Savage, could you respond?

SENATOR SAVAGE: No, we don't have any minutes of the meeting, Senator Carsten. I have the original nominations for the committees, and then at the end, we found out that there was some people that didn't have a full week of committees and we had to make some changes. Is that what you are referring to?

PRESIDENT: The question is the adoption of the Committee on Committees report. Record your vote.

CLERK: The only way I can clear it is to reset it, Mr. President.

PRESIDENT: Please repeat your vote. Have you all voted? Record.
