LB 492, 38

ASSISTANT CLERK: Senator Frank Lewis voting aye. 45 ayes.

PRESIDENT: Senator Merz voting aye.

ASSISTANT CLERK: Senator Merz voting aye. 46 ayes, 0 nays, 1 excused and not voting, 2 absent and not voting, Mr. President.

PRESIDENT: That completes Final Reading. Special order, we go to the criminal code. Senator Barnett.

CLERK: Mr. President, there is pending DeCamp Amendment No. 8 which has not been discussed.

SENATOR BARNETT: Mr. President, this is Senator DeCamp's area right now so I will refer to him.

PRESIDENT: Now what are we calling this, this is what kind of an amendment, Senator Barnett?

SENATOR BARNETT: It's probably a request amendment, because anything from now on out will be a request or a specific senator's because the committee amendments have all been adopted.

SENATOR BARNETT: Senator DeCamp, this is a substitute amendment for Amendment 8, as I understand it, the one that's being passed around right now?

SENATOR DECAMP: It's a substitute amendment for 8, 9, 10, 11, and a corrective amendment on No. 7 that we adopted yesterday.

PRESIDENT: You want to correct the one we adopted yesterday?

SENATOR DECAMP: This changes some language in the one of yesterday to resolve some questions.

PRESIDENT: Then you're going to have to make a motion on that.

SENATOR DECAMP: This one amendment here takes care of all the amendments remaining...

PRESIDENT: We've already adopted 7 from yesterday so you'll have to correct what's now labeled as 1 aren't you?

SENATOR DECAMP: Pardon.

PRESIDENT: Aren't you going to have to move to amend what we did yesterday to make it conform to what you now label No. 1?

SENATOR DECAMP: This amendment if adopted would complete everything that was desired in the final amendments that we had not adopted and it would also make some changes in some of the language of yesterday. There would be no need to adopt two separate amendments since it's all incorporated into one concept.

PRESIDENT: So your motion or Senator Barnett's I should say, is going to be the adoption of all three of these pages, is that correct?

SENATOR DECAMP: That is correct.
