

mayor. So this is just a corrective piece of legislation to straighten out that problem. I move for the advancement of the bill.

PRESIDENT: Record your vote on the advancement of the bill. Record the vote, Mr. Clerk.

CLERK: 34 ayes, 0 nays.

PRESIDENT: The bill is advanced. LB 58.

CLERK: Read title to LB 58. There are committee amendments by Senator DeCamp's Banking Committee.

PRESIDENT: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature. I believe we'll go on the amendment first. The change in the amendment lowers it from \$1.50 to \$1.00. Do you want me to explain the bill?

PRESIDENT: Do we have an amendment to an amendment, or did you just change the amendment?

SENATOR NICHOL: No, I didn't change the amendment.

PRESIDENT: Your amendment changes it to \$1.00.

SENATOR NICHOL: That's right.

PRESIDENT: Do you have that, Mr. Clerk?

SENATOR NICHOL: It's in the front of the bill. It says that....

CLERK: You're talking about the committee amendment, or a new amendment by you?

SENATOR NICHOL: The committee amendment.

PRESIDENT: Alright. Senator DeCamp, do you want to handle the committee amendment.

SENATOR DeCAMP: Mr. President, the original bill, and this has to do with fees, the bill was designed to make the fees compensate for approximately what it costs to perform the service. The original proposal in the bill was, I think, 50¢ to \$1.50. What we're doing is splitting it in half and saying a dollar. The committee amendment says \$1.00 whereas the original bill said \$1.50. I think that is agreed to.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: I have a question of Senator Nichol. I'd like to know what a termination statement is.

SENATOR NICHOL: When you file a mortgage or financial statement in the county clerk's office, it is filed there. When they file it there is a fee. When they terminate it, when it is marked off the books, or closed there is another charge.

SENATOR DWORAK: Is a dollar adequate, Senator Nichol?
