

March 23, 1977

LB 365, 421

Senator Warner asks unanimous consent to expedite the bill and what we can do is take it up and adopt the E & R amendments and readvance it.

PRESIDENT: Is there an objection? Seeing none, unanimous consent is granted to expedite the bill.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move the E & R amendments to LB 365 be adopted.

PRESIDENT: To LB 365, it is not on your agenda. That is E & R amendments, Senator?

SENATOR CULLAN: Yes.

PRESIDENT: Discussion? All in favor say aye. Contrary say nay. They are adopted.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move that LB 365 as amended be advanced to E & R for engrossment.

PRESIDENT: Discussion? All in favor say aye. Contrary say nay. The bill is advanced.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move that LB 421 as amended be advanced to E & R for engrossment. Excuse me, I should adopt the E & R amendments.

PRESIDENT: Yes.

SENATOR CULLAN: Mr. Chairman and members of the Legislature, I move the E & R amendments to LB 421 be adopted.

PRESIDENT: Discussion. All in favor say aye. Contrary say nay. They are adopted. LB 421. They appear on our agenda.

CLERK: No, they were long ago adopted. Since then there has been a series of additional amendments adopted. There is a motion to kill it yesterday which was read in and laid over.

PRESIDENT: Laid over until now.

CLERK: Yes, we could probably take it up now.

PRESIDENT: We can take that up. Whose motion to kill is it?

CLERK: Senator F. Lewis, of the 45th District.

PRESIDENT: All right. Senator Lewis.

SENATOR F. LEWIS: Honorable President, Distinguished Clerk, others. Mr. President, yesterday I put this kill motion on in a little fit of disgust about what pollution was and how we were really going to take a strong hold on it. Senator Cullan's amendment made it more palatable but the thing it did for me more than anything else, it showed me that really when it came to water and when we came to enforcing it with our friends in agriculture, there may be somewhat of a weakness on the part of the body. So the thing I learned from 421 is that I don't think anybody is
