Legislature to find out whether they are going to be here and if they put down they are going to be here, I expect them to be here. Obviously if they are excused, we know they can't sign the poll. They will be absent. I'm going to make the motion that we not meet on Friday if we don't have enough people to do business. I think that it's getting to the serious point where we cannot take care of our business. I move that we now recess til 2:00.

CLERK: Mr. President, Senator Carsten asked to be excused until he returns. Senator Clark asked to be excused for the afternoon. Senator Richard Lewis asked to be excused for the afternoon. Senator Marvel asked to be excused for the afternoon. Appropriations Committee asked to be excused this afternoon.

PRESIDENT: The question is shall we be in recess until 2:00 p.m. All in favor say aye, contrary say nay. We are in recess until 2:00 this afternoon.
