LB 139, 518

are with me. But in any case, that will be the first time I lost a man for good. In any case, I think we should vote on this motion; we should proceed as rapidly as we can with a minimum amount of discussion and hope we get on to the regular work of the Legislature.

PRESIDENT: The issue before the Legislature is whether this bill should be bracketed or not. Senator Newell.

SENATOR NEWELL: I move we close debate.

PRESIDENT: Do I see five seconds? I do. The question is shall debate now cease. Record your vote. Record.

PRESIDENT: Debate ceases. Senator Nichol.

PRESIDENT: This has got to be in response to debate opposing your motion to bracket. Do you want to assist the closing by responding to this effort?

SENATOR KREMER: I appreciate it, Senator Nichol give me this. I apologize for using this unscrupulous way in order to get to talk. I got to talk; I'm going to join him and I'm going to move the bill be bracketed. That's my closing argument.

CLERK: Mr. President, a motion on the desk.

PRESIDENT: Read the motion.

CLERK: I move to bracket LB 518 for May 15. Signed Senator Newell.

SENATOR NEWELL: Mr. President, members of the body. I move to bracket 518 which is a noncontroversial piece of legislation that was moved up a little earlier today from the bottom of General File to May 15 because that's when it would probably be brought before the Legislature in the first place. I may be giving it a few days.

PRESIDENT: May I interrupt you Senator Newell? There is a possibility that this is a motion to reconsider but you did not vote on the original issue so it's proper that you can make this motion?

SENATOR NEWELL: Why would this be...
