

PRESIDENT: 532.

CLERK: Mr. President, LB 532, it has been read on April 25th. There were some amendments offered by the committee at that time which were adopted. There is a Warner amendment which was adopted. There is now pending a Duis amendment. Read.

PRESIDENT: Senator Duis.

SENATOR DUIS: Mr. President, a question of Senator Warner, if I might. Senator Warner, this amendment that I have, didn't you take care of that in your committee amendment in deleting that language in 532 and placing it into another bill, such as I think, 539?

PRESIDENT: Senator Warner.

SENATOR WARNER: Senator Duis, I didn't catch which page?

SENATOR DUIS: Vince, would you read that again because I think I can withdraw this.

CLERK: Page 70, line 6, strike after the period in line 6, page 70, the rest of that line and also line 7 and 8. What it reads is "No child shall remain in the residential program of the Diagnostic Resource Center."

SENATOR WARNER: That was taken out by committee amendments, Senator.

SENATOR DUIS: Yes, it has been taken out by committee amendments so I would ask unanimous consent to withdraw the amendment.

CLERK: All right, Mr. President, the next amendment is offered by Senator Koch. Mr. President, Senator Koch has not returned to the Chamber.

PRESIDENT: We will hold that up until Senator Koch's return. Do you have another amendment?

CLERK: The next amendment is offered by Senator Frank Lewis. He isn't here. The next amendment is offered by Senator Koch. He isn't here. The next amendment is offered by Senator Frank Lewis. He isn't here. Senator Bill Burrows. There is an amendment found on page 1521 of the Legislative Journal. Well, Senator Burrows doesn't appear to have returned. Senator Newell has an amendment and he hasn't returned. Senator Dworak has some amendments to 532 found on page 1616 of the Journal.

PRESIDENT: All right, we will take up Senator Burrows amendment.

CLERK: The Dworak amendments are found on page 1616...I am sorry.

PRESIDENT: Senator Burrows we will take. Before we take that up, I would like to announce that we have 10 students from the Seventh Day Adventist Church School in Albion, Nebraska in the North balcony and that is in Senator DeCamp's District. Senator DeCamp is in the hospital but we will welcome you for him. Thank you for being here. Now, Senator Burrows.
