PRESIDENT: Record your vote. Have you voted. Record.

CLERK: Record vote read. (See page 2233, Legislative Journal.) 35 ayes, 0 nays, Mr. President.

PRESIDENT: All right, that portion of the Committee on Committees report is also adopted. Now what do you have before you? What is the next bill?

SPEAKER LUEDTKE: In order to resolve this, Mr. President, we have a request for a change of order to take up Senator DeCamp's motion that was filed on reconsideration so I am asking that we change the order so that we can take that up. I think implications of not resolving this problem one way or another are very serious. Therefore, I would like to take up the motion to reconsider at this time and let the chips fall where they may. Each side seems to believe that they have the power and they have the ability to stop the other and...

PRESIDENT: Excuse me. I think the Speaker could change the order to take that up now except that there can be no debate on it under the...

SENATOR DeCAMP: Then I would have to ask to suspend the
