

SENATOR WARNER: I would assume then, Mr. President, the Committee would need twenty minutes or a half hour to be able to make copies and whatever recommendations we would have for the body.

PRESIDENT: The Chair would like to suggest that you and the Speaker, if you can figure on a 5:30 return schedule, that we might be able to figure out how long we'd be in recess. The Chair would like to suggest that you and the Speaker confer on that. Senator Barnett, for what purpose do you ask recognition?

SENATOR BARNETT: Mr. President, members of the Legislature. When you were talking about Senator Swigart I did have something that was a little more appropriate. I've played golf with him and I've enjoyed it many times. You know we shouldn't have this as a sad occasion. Many people feel that we don't quite feel that bad about losing, Warren. I brought a little thing here that might sort of express our feeling towards him. (Laughter)

PRESIDENT: Senator Simon doesn't have the courage to do that himself.

CLERK: Mr. President, a Reference Report referring LR 141 to the Executive Board.

PRESIDENT: Chair recognizes Senator Luedtke.

SPEAKER LUEDTKE: I just wanted everybody to know that that was not Senator Warner and Senator Luedtke conferring, that you just heard. In case somebody is listening over the rail, I just want that clarified. I believe the President has information that we will not get 532 back until about 5:30, is that correct?

PRESIDENT: That is the information I have, yes.

SPEAKER LUEDTKE: Since Senator Warner feels that they should have about a half an hour, twenty minutes to half an hour, probably it would be best, and I would move that we would then recess until 6 o'clock. It won't be back until 5:30.

PRESIDENT: Alright. There is a motion to recess until 6 o'clock. All in favor say aye. Contrary say nay. The ayes have it.

SPEAKER LUEDTKE: Well alright I'll say 5:30, then you can just wait. But that's alright. I'll move 5:30 then.

PRESIDENT: Alright.

SPEAKER LUEDTKE: I move we recess until 5:30.

PRESIDENT: The question is shall we be in recess until 5:30. All in favor say aye. Contrary say nay. The ayes have it. We are in recess until 5:30.
