LB 233

election officials than simply looking for a polling place that's accessible. As it is pointed out, Cherry County is in a position to comply with this bill up until 1982, based on this survey. I do not think that those in the rural areas that somehow create in their mind these fears, are going to find that they are going to happen. In fact, they are going to find a great deal of support for the bill in their areas from these people who will now be able to vote. So I would move that LB 233 be advanced to Select File.

PRESIDENT: The question is shall LB 233 be advanced. Record your vote. Have you all voted? Record.

CLERK: 29 ayes, 4 nays, Mr. President.

PRESIDENT: The bill is advanced. The Chair would like to recognize Senator Marsh for a privilege of the house. Senator Marsh.

SENATOR MARSH: Mr. President, and each member of the Legislature, today is a special day. Today is Robbie Robinson's 84th birthday and to celebrate the occasion each of us is invited to the Rotunda to partake of birthday cake. Robbie, would you please stand? (Sings Happy Birthday to Robbie.)

PRESIDENT: Well, that's nice, Robbie. Glad to see you around here. Hope you stay another 15 years. 16 years.
