LB 767

SPEAKER LUEDTKE: Senator Nichol.

SENATOR NICHOL: I don't know whether I'm a good friend or not but I hope so, but my purpose in doing this is exactly to do what is happening and that is to bring it to the attention of the floor as to what has been happening during the past few days. I don't care whether we get this bill advanced today to a bracketing. What I want to do is to bring to light what has been happening the last few days which I object to too. So, that's fine, I'll withdraw my motion.

SPEAKER LUEDTKE: All right, the motion is withdrawn.

CLERK: Mr. President.

SPEAKER LUEDTKE: Mr. Clerk.

CLERK: Senator DeCamp now moves to bracket LB 767 until March 15th.

SPEAKER LUEDTKE: Senator DeCamp?

CLERK: Senator DeCamp.

SPEAKER LUEDTKE: Senator DeCamp.

SENATOR DE CAMP: Mr. President, this is on Select File. I just don't want to take it up so I'm, in other words it's going to come up this afternoon and I don't want to take it up. I got to get some information yet. Good grief, fellas, I mean really. Don't panic just because you hear that word, bracket.

SPEAKER LUEDTKE: Senator DeCamp, why don't you just lay it over then?

SENATOR DE CAMP: Yes, that's it. I just don't want to take it up.

SPEAKER LUEDTKE: Just lay it over, that's all.

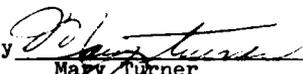

SENATOR DE CAMP: I'm innocent.

SPEAKER LUEDTKE: Senator DeCamp, you withdraw your motion then? All right. Any further motions? Senator Koch, did you have something further? All right, Senator Savage.

SENATOR SAVAGE: Mr. Speaker, a motion to recess until 1:30.

SPEAKER LUEDTKE: A motion to recess until 1:30. All those in favor signify by saying aye. Opposed nay. We are recessed until 1:30.
