

us, find out what was the most accepted one that they could live with. Then we were going to get back this week, on Monday or Tuesday night, and decide which form to go with so we knew we wouldn't get into a big fray when we did it. But we decided to hold it until we got back together this week.

SENATOR CARSTEN: Okay. Mr. President, I'll accept that explanation. Thank you, sir.

SENATOR BARNETT: Senator Keyes, your light is on. I guess I'll recognize you.

SENATOR KEYES: Well right now I'd like to speak for bringing this bill out of committee. I can't see any....

SENATOR BARNETT: Which one is that, Senator Keyes?

SENATOR KEYES: LB 758, I think it is. The bill is locked in committee, isn't it?

SENATOR BARNETT: I think you're out of order, Senator Keyes, as far as I can see according to the list you'd be out of order.

SENATOR KEYES: Wait a minute. Isn't this a revision of the rules, on a constitutional amendment it has to pass? I think it's in committee and it has to be brought to the floor of the Legislature. Unless I heard Senator DeCamp talking wrong.

SENATOR BARNETT: What issue are you talking about? Would you make it plainer to the Chair.

SENATOR KEYES: Maybe it's 948. What is the bill? LB 948. I move that we bring 948 to the floor of the Legislature and put it to the head of General File.

SENATOR BARNETT: Senator Keyes, according to the Speaker's list you are out of order. I won't accept that. I'm going to turn it back over to the Speaker and let you argue with him.

SPEAKER LUEDTKE PRESIDING

SPEAKER LUEDTKE: Senator Keyes, you are talking about changing the Speaker's order again. I thought that that was the item that we just discussed and that we were not going to take it up this afternoon.

SENATOR KEYES: Okay. Is it my turn now? Because I've had my light on for quite awhile to talk on something.

SPEAKER LUEDTKE: Is there a motion on the desk, Mr. Clerk?

CLERK: I have nothing, Mr. President.

SPEAKER LUEDTKE: Unless there is a motion on the desk, we're going to go on to the next item on the agenda, which should have been taken up about an hour ago, which is motions, which will be the matter of Select File. We'll take up replacement of Select File. Senator Cullan, are you ready on LB 574? Chair recognizes Senator Cullan.
