

March 16, 1978

LR 411, 212

PRESIDENT: We will pass over this temporarily but it will come up on Final Reading. Please read LR 411.

CLERK: Final Reading of LR 411.

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LR 411 pass? Record your vote. Have you all voted? Record.

CLERK: Record vote read. (See page 1316, Legislative Journal.) 31 ayes, 11 nays, 5 excused and not voting and 2 present and not voting.

PRESIDENT: I am going to call for a revote. There has been an error in that vote. Our records show that there must be a malfunction at Senator Lewis' desk. Again, the question is, shall this bill pass on Final Reading. Record your vote. Clear the Board. We are going to try it again. Now would you please record your vote again. Please vote. Have you all voted? Record.

CLERK: Record vote read. (See page 1316, Legislative Journal.)

PRESIDENT: Senator Nichol wants to vote aye. Senator Koch, for what purpose do you arise?

SENATOR KOCH: Mr. President, my button is malfunctioning. I really wanted a red one but it keeps going green.

PRESIDENT: All right, make the record show that Senator Koch votes nay and would you call the repair. Senator Mills.

SENATOR MILLS: I just wonder if we could try it again a time or two. We have lost five votes.

PRESIDENT: If that is your pleasure, we can, Senator Mills.

SENATOR MILLS: Not exactly.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: Mr. President, are we sure that the Board is functioning correctly now. I wonder maybe if we should have a roll call because we started with 31 votes and now we are down to 26 votes and I wonder if a roll call would be in order or whether you are sure that the Board is functioning properly.

PRESIDENT: The vote was taken prior for any call for a roll. The Chair has no reason to believe that the Board isn't now correct other than Senator Koch's vote and it has been verified by the Clerk. The Clerk read the vote and the purpose of that is to verify your vote and you can correct it which Senator Koch did. If there are any other corrections based upon the verification of the Clerk, we could call for a roll call. LR 411 passes. Please read LR 212.

CLERK: Mr. President, Senator Koch moves to return LR 212 to Select File for specific amendment. The specific amendment may be found on page 1310 of the Legislative Journal.
