

PRESIDENT: St. Patrick?

SENATOR SIMON: No, they said "O'Neill".

PRESIDENT: Senator Fitzgerald.

SENATOR FITZGERALD: Tomorrow we are going to give O'Neill O'Simon all the time he wants.

PRESIDENT: LR 189.

CLERK: LR 189. Read. Mr. President, that may be found on page 1306 of the Journal and it is offered by Senator Duis.

PRESIDENT: Senator Herb Duis.

SENATOR DUIS: Thank you, Mr. President. This is a congratulatory resolution for the Lexington High School girls basketball team and I request its passage.

PRESIDENT: Senator Duis, you don't want to carry an amendment for Senator Marvel of Hastings, do you?

SENATOR DUIS: No, not Marvel, I really wouldn't because Hastings is just too far away from Lexington.

PRESIDENT: And the Chair doesn't have a right to introduce anything for St. Cecilia's.

SENATOR DUIS: Well, I sure welcome the opportunity but if we can cut the paper into that we are going to send there, why maybe it will work out all right but I think I will let him take care of his own.

PRESIDENT: All right. Record your vote. Have you voted? Record.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of the resolution.

PRESIDENT: The resolution is adopted. LR 190.

CLERK: Mr. President, LR 190 was introduced by Senator Koch. Read.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, I wouldn't want other individuals of this body to think that I was just discriminating against them because there is an O'Donnell and there is a Kelly and there are several others who claim this fabulous background but I did this on behalf of those of us who have a very proud German heritage because we seldom celebrate any occasions because on May Day we are always too busy, but from those of us who are real Germans, we give this type of document to those of you who are Irish and say we do appreciate your humor and your contribution to the body. Happy St. Patty's Day.

PRESIDENT: Mr. Clerk.

CLERK: Mr. President, I have a motion, Senator Rasmussen moves to change "slow boat" to "row boat".

PRESIDENT: Senator Murphy.
