LB 946

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, I move the adoption of the committee amendment. I have two committee amendments up there.

CLERK: You have one that I have designated as amendments to the committee amendment. Would you like to take those up?

SENATOR WARNER: I might as well. The amendment to the... the committee amendment to the committee amendment, Mr. President, and all it does there was...we struck a great deal out of the bill as it was originally written and one of the sections that should have been stricken was not and the amendment to the committee amendment does that. I move for its adoption Mr. President.

PRESIDENT: Further discussion? Question is the adoption of Senator Warner's amendment to the amendment. Record your vote. Record.

CLERK: 22 ayes on the adoption of Senator Warner's amendment.

SENATOR MARSH: A point of order. We do have to have 25 votes on appropriation matters even if it is an amendment to an amendment. So, lets go back and take that vote again please. I'm sure that there will be sufficient votes.

PRESIDENT: Senator Warner, would you want to put the House under Call?

SENATOR WARNER: Well with all deference, I think that this particular one is enabling legislation, so I think that it is okay Senator Marsh for a simple majority as an amendment to the amendment. It doesn't deal with money.

SENATOR MARSH: (mike not activated).

SENATOR WARNER: Oh, okay, that is fine with me.

PRESIDENT: In the opinion of the Chair the proposition carried because this doesn't appropriate any funds. The question is shall the House go under Call. Clear the board. Record your votes. Senator Duis, for what purpose do you arise?

SENATOR DUIS: Just a question of the Chair. I think the vote was announced and her motion should be to reconsider.

PRESIDENT: I didn't think that the Clerk had announced, but.. it is in order to reconsider. Have you all voted? Record.

CLERK: 16 ayes, 1 nay to go under Call Mr. President.

PRESIDENT: The House is under Call. All Senators please return to your desks and record your presence. Senator Simon.

SENATOR SIMON: Mr. President, I did not vote so I will make a motion to reconsider our actions on LB 946.
