LB 184A

the A bill does is take some of that money, takes some of that money and lets the Department of Revenue have some of that money for administering it. So, even if you are opposed to the bill I think that your common good sense tells you that you do that to be sensible. But, the bill is law, . . . I mean it will be if it is signed. I want an A bill, but it doesn't matter. I urge you to vote for the reconsideration.

SENATOR MARVEL: Senator Dworak your light is on. Do you wish to be recognized? Okay, the question has been called for. All those in favor of...are there five hands? Okay, I see five hands. All those in favor of ceasing debate vote aye, opposed vote no. I'll vote aye.

SENATOR MARVEL: Motion is carried. The Chair recognizes Senator Newell to close on his motion.

SENATOR NEWELL: Well, I made a very simple and short close. I that...I think this is a very responsible thing to do. I would hope that the members of the body would send this across to the Governor so that he can veto it. We can handle this bill yet this year. I think that it is the responsible thing to do, I don't like doing it but that is....so I would urge the body to do that. Thank you.
