

breaking it out. Presently holders of Class C liquor licenses are allowed this privilege but this would extend that to hotels and motels. I would be glad to answer any questions. To my knowledge every provision that is provided for in this amendment. If there are any questions, I will answer them. Mr. President, I might advise the body that these amendments have been distributed, they are in the Bill Book, just prior to the bill. I will be glad to answer any questions. If not, I move the adoption of the amendments.

SPEAKER LUEDTKE: Chair recognizes Senator DeCamp.

SENATOR DE CAMP: I just...I agree to all of these amendments. As Senator Dworak correctly stated, they reflect the interests of various people from the Liquor Commission wanting the catering license to the liquor retailers concerned about establishing a more efficient system on how to handle members by prohibition attempting to purchase....to the State Fair problem etc. I would urge adoption of the amendment.

SPEAKER LUEDTKE: Chair recognizes Senator Maxey.

SENATOR MAXEY: Mr. President, I have a question of Senator Dworak.

SPEAKER LUEDTKE: Senator Dworak, will you respond?

SENATOR DWORAK: Senator Maxey.

SENATOR MAXEY: Would you explain about the Class C liquor license as you were going through the bill please. Is this at the State Fair or is it just period? Is this just limited to the State Fair?

SENATOR DWORAK: No, the portion that I talked to in reference to Class C licenses that it allows those people holding the Class C license to cater, to a special function. It also...the other portion of Class C is...presently a holder of a Class C license can now charge food and beverage and this extends it to everyone regardless whether they have a Class C or not. But, the Class C provision primarily is the catering provision, Senator Maxey.

SENATOR MAXEY: All right, is this for the State Fair at the State Fair or is this just catering period?

SENATOR DWORAK: The State Fair portion Senator Maxey has nothing to do with a Class C license. This does allow the beer to be sold at the State Fair and I honestly can't tell you, Senator Maxey, if that is restricted to beer only. I can get that answer in just a second.

SENATOR MAXEY: Yes, it does, thank you.

SENATOR DWORAK: But that is not Class C. That has nothing to do with Class C.

SPEAKER LUEDTKE: All right, there are no further...no one wishes to speak further on it. Senator Dworak, do you have any closing? Senator Dworak, any closing?
