privilege to introduce Mr. and Mrs. Leonard Starr from Mullen, Nebraska, Mrs. Mabel Jones from Valentine. They are under the North balcony, guests of Senator Lamb. Would they please stand up and be recognized? Welcome to your Legislature. The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: Mr. President, members of the Legislature, this would be a good time after we adjourn this morning for the Chairman of the various committees to call a meeting and select a Vice-Chairman. This may not be possible for all, but to accelerate the printing that needs to be done to include, well, letterhead, for instance, and other documents, the sooner you can get this done, the better. So I think if I am in order, Mr. President, after we adjourn, this can be done. Mr. Clerk, is that right? Does it have to be done while we are in session?

CLERK: What is that, Senator, I am sorry?

SPEAKER MARVEL: That the committees meet and select a Vice-Chairman.

CLERK: It doesn't necessarily have to be done while we are in session.

SPEAKER MARVEL: Then I think as soon as we are through, as soon as the members have gotten all of the bills in that they want to introduce today, then after we adjourn, then the various committees can meet. So I would alert the committee chairmen, if they have their quorum, to proceed with that selection as soon as we adjourn.

PRESIDENT: Thank you, Mr. Speaker. Senator Marsh.

SENATOR MARSH: Mr. President, I have an announcement on the Clerk's desk. If he would read it at this time, I would appreciate it.

PRESIDENT: Would you proceed, Mr. Clerk?

CLERK: Mr. President, Senator Marsh gives notice the Committee on Committees will meet immediately upon adjournment in Room 1019, is that convenient, in Room 1019, Mr. President.

PRESIDENT: The Chair recognizes Senator Kremer.

SENATOR KREMER: Mr. Chairman, in response to the Speaker's suggestion, I would request the Public Works Committee to meet under the North balcony immediately following our adjournment today.
