

plus, in some instances at least, they are of the emergency nature and need to be approved as soon as possible prior to the June 30th end of the year. Mr. President, I think that probably is all I need to say, unless there are questions.

PRESIDENT: Are there any questions? The Chair recognizes Senator Frank Lewis.

SENATOR LEWIS: Mr. Chairman, this is kind of a usual procedure, but I would make a request of Senator Warner that we do the other usual procedure too so that the membership is not only advised of the dollar level that is placed on "A" Bills, but also in terms of projected revenues. I think that's one thing that we have consistently done for the membership. Now, I noticed the Governor included what he considered his projected revenues. Does your committee intend to bring forth to allow the membership full knowledge of what we anticipate as anticipated revenues?

PRESIDENT: Senator Lewis, there are two things. I should have indicated this earlier. We will be starting any day now the sheet that we run on the back, which...of the daily agenda, which indicates the status of any bill that has general fund impact as well as indicating the anticipated receipts, the whole thing, and I should have announced that as well. We have normally not done that until the Governor's bills were introduced, which, of course, now are introduced, and so that is being compiled and I suspect sometime next week will begin to appear on the sheets. Is there any further discussion on the Warner Motion on "A" Bills? If not, all those in favor of....Senator Warner, do you have any closing? No closing, so motion before the House is the adoption of the Warner Motion regarding "A" Bills. All those in favor vote aye. Opposed nay. This will require 25 votes. Have you all voted? Record the vote.

CLERK: 30 ayes, 2 nays on the Motion to bracket the "A" Bills, Mr. President.

PRESIDENT: Motion to bracket is...passes, and anything further on the desk, Mr. Clerk? We'll proceed then with Agenda #6 on Resolutions. LR 13. Do you want to read the Resolution?

CLERK: Mr. President...(Read LR 13). Mr. President, that may be found on Page 428 of the Journal.

PRESIDENT: The Chair recognizes Senator Wesely.
