LB 538

SENATOR WESELY: It's been a pleasure.

SPEAKER MARVEL: Senator Merz, are you there? Do you wish to be recognized?

SENATOR MERZ: Mr. President, a point of personal privilege.

SPEAKER MARVEL: We don't grant points of personal privilege. Do you have a remark to make?

SENATOR MERZ: I have a remark to make.

SPEAKER MARVEL: Proceed.

SENATOR MERZ: Thank you. Tomorrow from 11:00 till 3:00 the Merz Farm Equipment is having a twenty-fifth anniversary celebration, which I started some twenty-five years ago, and I turned it over to my sons now, and you're all invited down to Falls City, at the north edge. Come one and all. Plenty of pancakes and sausage.

SPEAKER MARVEL: Senator Simon, for what purpose do you rise?

SENATOR SIMON: I heard that Senator Merz only had his business for twenty-four years, and I wanted to double-check on that.

SPEAKER MARVEL: So ordered. Now we will proceed for the next time allotted to the consent calendar, and if you have your yellow sheets, at the bottom of the first page we have LB 538.

CLERK: If I may Senator, Mr. President, LB....

SPEAKER MARVEL: No, it's 538, which is at the bottom of the first...

CLERK: Mr. President, LB 538 was a bill introduced by the Ag and Environment Committee. (Read title to LB 538.) The bill was first read on January 26. It was referred to the Ag and Environment Committee. It was advanced to General File. There are Committee amendments by Senator Schmit's Ag and Environment Committee.

SPEAKER MARVEL: ...the adoption of the Committee amendments.

SENATOR SCHMIT: I move the adoption of the Committee amendments, Mr. President.
