LR 52
LB 123, 216, 392,
568, 571, 587

SENATOR MURPHY: I think possibly one of the concepts in the bill, Senator Johnson, that probably addresses itself more to your concerns on, only not precisely it does not alter current legal procedures but it does mandate that the bank will not make those records available to these people without either proper court procedure or the permission of the person whom they are inquiring of, so really the consumer is given additional protection under this bill in that he must consent to the release of any information.

SPEAKER MARVEL: Is there any other discussion? Senator Reutzel, do you move the advancement of the bill?

SENATOR REUTZEL: I move the advancement of 216 to E & R.

SPEAKER MARVEL: All those in favor of the motion vote aye, opposed no. The motion is advancing 216 to E & R for review. Record.

CLERK: 25 ayes, 0 nays on the advancement of the bill, Mr. President.

SPEAKER MARVEL: Senator Hefner, are you ready to take up...? I'm sorry. Are you ready to take up 123 as soon as the Clerk reads some things into the record? Okay.

CLERK: Mr. President, your committee on Enrollment and Review respectfully reports we have carefully examined and reviewed LB 568 and recommend that same be placed on Select File; 587 placed on Select File with amendments, signed, Senator Wesely, Chairman.

Mr. President, new resolution, LR 52, offered by Senator Schmit, Lamb, Maresh, Nichol and Kahle: (Read LR 52 as found on page 1422 of the Legislative Journal.) Mr. President, that will properly lay over.

Your committee on Appropriations whose chairman is Senator Warner to whom is referred LB 392 instructs me to report the same back to the Legislature with the recommendation it be indefinitely postponed.

Senator Schmit asks unanimous consent to print amendments to LB 571, Mr. President.

SPEAKER MARVEL: 123.
