LB 619

we can see where you are? Welcome to the Unicameral. These are in Senator Marsh's District. Did you record the vote? Senator Reutzel has had his light on for about the last twenty minutes, so there is no question about whether he is....

CLERK: 26 ayes, 3 nays, Mr. President.

SPEAKER MARVEL: The motion is carried. Debate is ceased, and Senator George is recognized to his close on his amendment.

SENATOR GEORGE: Mr. President, I will make it very short. I most certainly do not agree with Senator Newell that this is a bureaucratic nightmare. If you look over the amendment in your Journal that is all regulated by the Department of Motor Vehicles. There is not a problem with if somebody wants to buy those tires out of the state. You still have to have that sticker on the car. I believe this is a fair kind of way of settling this issue. There will be only those people left that really need to drive it and they will pay for the additional wear and tear that they cause on those roads and they should do that. I move for the adoption of the amendment.

SPEAKER MARVEL: All those in favor of the adoption of the George amendment vote aye, opposed vote no.

SENATOR CLARK PRESIDING

SENATOR CLARK: Have you all voted? One more time, have you all voted? Senator George.

SENATOR GEORGE: I think 27 people have not voted. I will have to have a Call of the House.

SENATOR CLARK: All right, a Call of the House has been asked for. All those in favor of a Call of the House vote aye.....five hands? All right. Record.

CLERK: 11 ayes, 8 nays to go under Call, Mr. President.

SENATOR CLARK: The House is under Call. All unauthorized people leave the floor. All the Senators will be in their seats. Record in please. Will you record your presence, please? Senator George, do you want to take in call-in votes?

SENATOR GEORGE: I think, Mr. President, I would like to see....there are still 20 Senators absent. I think I will ask
