acceptable to the full Legislature. I think it needs a little more work. I support Senator Simon's motion, oppose Senator DeCamp's.

SPEAKER MARVEL: Senator DeCamp.

SENATOR DeCAMP: You have got your twenty-four hours. I withdraw the suspension of the rules and let's go to the next bill.

CLERK: Mr. President, very quickly, new resolution by Senator Cullan, LR 214. (Read LR 214 as found on page 1119 of the Legislative Journal.) That will be laid over, Mr. President.

Your Committee on Public Health and Welfare whose Chairman is Senator Cullan to whom was referred LB 752 instructs me to report the same back to the Legislature with the recommendation it be indefinitely postponed; 753 and 754 both indefinitely postponed. (Signed) Senator Cullan, Chairman.

SPEAKER MARVEL: After twenty separate speeches we leave LB 308 and go to LB 279, and there is a motion on 279.

CLERK: Mr. President, Senator Fitzgerald moves to return LB 279 to Select File for a specific amendment. The amendment would read as follows: (Read the Fitzgerald amendment as found on page 1119 of the Legislative Journal.) That is offered by Senator Fitzgerald.

SENATOR FITZGERALD: Mr. Speaker and members, I struck this the other day Section 1 out of the bill and I was going to put it over in 361, and the wisdom of my fellow senators told me I better not, I better leave this right where it is at, and I would like to have it put back into the bill.

SPEAKER MARVEL: Senator DeCamp, your light is on. Do you want to speak to the Fitzgerald motion?

SENATOR DeCAMP: I...I fully support the amendment and would just remind you the other day when I was smiling and laughing and saying, well, if you really want to adopt those amendments we will just wait around until you come back, or it came back, what, yesterday, and Fitz's back today.

SPEAKER MARVEL: Senator Fitzgerald, the Chair recognizes you on your motion.
