

April 14, 1980

LB 647A, 1004

there is objection, to keep the record clear we will move the advancement of the A bill and then we will go to LB 1004.

CLERK: Mr. President, on the A bill Senator Warner has an amendment to amend 647A. On page 2, line 11, strike "14" and insert "5", and line 12 strike "448,000". That is offered by Senator Warner.

SENATOR WARNER: Mr. President, the amendment that is there reflects the earlier amendment that we adopted. I think, Mr. President, Dick....Dick...

SPEAKER MARVEL: Yes.

SENATOR WARNER: Mr. Speaker, before he gets away.

SENATOR CLARK PRESIDING

SENATOR CLARK: Dick, he wants to ask you a question.

SENATOR WARNER: The amendment that we just adopted that was offered by Senator Wesely is not reflected in the amendment that I have up there to the A bill, and I called over to Revenue, I understood they wouldn't probably give us a firm figure until about noon. Would it be inappropriate to wait until we get a correct figure to reflect both amendments?

SPEAKER MARVEL: Why don't we hold it until we get a correct figure. Is that all right?

SENATOR WARNER: Okay, yes, I think then we can do it with one motion if that is okay with everyone.

SENATOR CLARK: I think we could take it up at that time, once you let us know.

SENATOR WARNER: Thank you, Mr. President.

SENATOR CLARK: We will go to LB 1004. Mr. Clerk.

CLERK: Mr. President, LB 1004. There are E & R amendments to the bill, Mr. President.

SENATOR CLARK: Senator Wesely, E & R amendments to 1004.

SENATOR WESELY: Mr. President, I move those E & R amendments to LB 1004.
