LR 239

SENATOR CLARK: Senator Marsh, for what purpose do you arise?

SENATOR MARSH: I rise to request that my name be added to the resolution honoring John Prasch.

SENATOR CLARK: Your name will be added. There is no objection? So ordered. I would like to announce the presence of Kim Warnekee's father over here on the right side. Kim is my legislative aide. Would you stand up and be recognized, Mr. Warnekee? Thank you. Senator Wesely.

SENATOR WESELY: Yes. Mr. President and members of the Legislature, as you know, this is Lincoln Loves the Legislature Week. We have had several events already. Today we have a luncheon you are all invited to. You have all been informed. It is at the University Club. It will begin as soon as possible. There are buses on the West door by the Abe Lincoln statue. You should try and be out there within ten minutes and the bus will take you there to the Club for the luncheon. Again, this is a part of Lincoln Loves the Legislature Week. Hope you all can attend, and I move that we adjourn until 1:30.

SENATOR CLARK: You heard the motion. All those in favor say aye. Opposed. We are adjourned until 1:30.
