teacher. There are four sponsors and parents in the north balcony. Will you hold up your hands so we can see where you are? The next item is 784.

CLERK: Mr. President, LB 784 offered by the Administrative Rules and Regulations Committee. (Read title.) The bill was first read on January 12th of this year. It was referred to the Administrative Rules Committee for hearing. The bill was advanced to General File, Mr. President. I have no amendments on the bill.

SPEAKER MARVEL: The Chair recognizes Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker and members of the body, this is a relatively simple bill. Current law requires the Revisor of Regulations to conduct a hearing on all rules that are in place one year after the rule was first enacted. Thus, what the Revisor has to do is the Revisor has to publish a notice to the world that she will conduct a hearing on the efficacy of a rule that has been in place for one year. During the last two years there have been two hearings held at the request of citizens and the affected industry on the rules. Given the lack of basic public interest in what is really an after the fact implementation of a rule, the committee has concluded that this particular piece of legislation ought to be advanced and this hearing concept should be eliminated from our statutes. All rules, incidentally, are subject to full public hearing process unless the Governor makes an exception which is very rare, subject to a full public hearing process prior to the implementation.

SPEAKER MARVEL: Motion is to advance the bill. All those in favor vote aye, opposed vote no. Record the vote.

CLERK: 31 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER MARVEL: The motion is carried. The bill is advanced. The next bill is LB 651.

CLERK: Mr. President, LB 651 offered by the Education Committee and signed by its members. (Read title.) The bill was read on January 6 of this year. At that time it was referred to the Education Committee for hearing. The bill was advanced to General File, Mr. President. I have no amendments on the bill.

SPEAKER MARVEL: Senator Koch.
