LB 601

members. With that, Mr. President, I would move for the advancement of LB 601.

SPEAKER MARVEL: Senator Newell, your light is on.

SENATOR NEWELL: I have a question of Senator Nichol. Senator Nichol, does this pertain to all counties in the state?

SENATOR NICHOL: Yes, I believe it does.

SENATOR NEWELL: How does that work when you have a joint committee, planning committee like you have in Lancaster County?

SENATOR NICHOL: Well, I believe...I am not acquainted too well with your situation, but don't you have (interruption).

SENATOR NEWELL: Well, this is Douglas County and I am talking about Lancaster County.

SENATOR NICHOL: Okay, you have a City Planning Commission and a County Planning Commission?

SENATOR NEWELL: They are a joint planning commission.

SENATOR NICHOL: Well, they usually work together then in that situation.

SENATOR NEWELL: Well, that means that the requirement would be that a majority of that combined committee would have to be from the unincorporated areas of the county?

SENATOR NICHOL: No, we are not addressing that. What we are addressing are counties which have a County Planning commission not coordinated with city plans, planning commissions.

SENATOR NEWELL: Not coordinated with...okay. In other words, those that have a joint commission would be exempted.

SENATOR NICHOL: That's right.

SENATOR NEWELL: They would not be covered under this bill. This is only for those counties that have county only planning commissions.

SENATOR NICHOL: Well, yes, they would have a County Planning Commission, however, in that same county they could have
