

February 9, 1983

LB 58

of the building on a medical matter. So the Clerk will proceed and a roll call vote has been requested.

CLERK: (Roll call vote taken. See page 441, Legislative Journal.) 19 ayes, 23 nays, Mr. President, on the adoption of the amendment.

PRESIDENT: The motion fails. The amendment is not adopted. The Chair declares the Call of the House raised. The Chair would like to make note of the fact that Senator Goodrich is again in our presence this morning. Welcome back after a few days of rest. And also the Chair would like to recognize Senator Vickers on a point of personal privilege.

SENATOR VICKERS: Mr. President, thank you. Mr. President and members, this morning I just got word, I don't know how many of you know it but I talked to Ken Kremer this morning from Aurora and he informed me that his father, Senator Maurice Kremer, was in the hospital in Clarkson in Omaha undergoing tests which include brain scans. He had been suffering from blacking out and he has been there for a few days and the family doesn't know anything at this point in time but I thought the members of this body should be aware that our good colleague, ex-colleague, is in the hospital in Omaha and that I am sure everybody in this body wishes Maurie the best.

PRESIDENT: Clarkson Hospital?

SENATOR VICKERS: Yes, that is right. I asked him if he had a room number and he told me he didn't have it handy right then and I am assuming Clarkson Hospital will be able to find Senator Kremer.

PRESIDENT: Thank you very much. Do you have anything on the desk in the way of reports or announcements?

CLERK: Very quickly, Mr. President, Business and Labor gives notice of cancellation of hearing and the setting of a hearing, and Retirement Systems gives notice of hearing. Those were signed by the respective Chairmen.

PRESIDENT: We will now proceed on Select File to LB 50. Oh, excuse me, some unfinished business. Did you intend this bill to go further today, Senator DeCamp? We still have the bill on Select File, excuse me.

CLERK: I have no further amendments on the bill, Mr. President.
