

on this floor when it comes to the small school systems. I am first in line to say that we need consolidation in the state but I am also the first to admit that that may be a long ways off and that in this case, until school systems become larger and can afford to implement programs that students in the larger school systems today have a chance to enjoy, we need to address this problem and LB 62 remains a step in the right direction. Thank you, members.

PRESIDENT: The question is on the advancement of LB 62 from General File to E & R for review. All those in favor vote aye, opposed vote no. The question is on the advancement of LB 62.
