

PRESIDENT: Senator Warner. I guess we will pass over this amendment temporarily. The Chair would take this opportunity to announce that there will be a meeting of the Executive Session of the Revenue Committee at eleven-thirty in Room 2102 right now. Right now. Right now.

CLERK: Mr. President, the next amendment I have to the bill is by Senator Beutler. Senator, this is Request 282.

SENATOR BEUTLER: Mr. Clerk, could I ask for a point of clarification, if I may? The last amendment was 0281.

CLERK: Yes, sir.

SENATOR BEUTLER: Under that version of 0281, there are two versions of 0281 filed, was subsection 1 stricken?

CLERK: Not in the one I have in front of me, Senator.

SENATOR BEUTLER: All right, then that is the point of the confusion. I would withdraw that one, Mr. Clerk. And there should be another one, 0281, which has subsection 1 stricken.

CLERK: Right, I see it now.

SENATOR BEUTLER: Which is what we should be talking about. That is my fault.

CLERK: Is that the one we are laying over temporarily, Senator, or is that...

SENATOR BEUTLER: The one that we are laying over temporarily, if we have them straight now, should be 0281, but it should have both sub 1 and sub 2, or sections 1 and 2 intact instead of having one crossed out, and that one instead of laying over we should just withdraw because I don't wish to address it. We have compromised on that.

CLERK: So are we ready to discuss 282, Senator, then is that...?

SENATOR BEUTLER: Yes.

CLERK: Okay.
