

SENATOR LAMB: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, we play fast and loose with the rules but I don't want to be dealt with in that fashion again. When somebody rises to make a point of order, when that somebody is me, I want to be recognized and I waved my hand and I called out to you, but there was something you wanted to allow to happen and I object to that, and in the future I'll do the same thing I did here. And if you refuse to recognize me and allow conversation, I'm going to talk louder than those who are conversing because I should have been recognized and I think you were remiss not to recognize me.

SENATOR LAMB: The motion is the adoption of the Hoagland amendment.

SENATOR HANNIBAL: ...personal privilege.

SENATOR LAMB: Senator Hannibal.

SENATOR HANNIBAL: I need to point out, Mr. Chairman, that my light was on and you did not recognize me to speak before you allowed Senator to close. Is that correct?

SENATOR LAMB: It was not...I believe it was not shut off was the problem, Senator Hannibal. It had not been shut off from the previous time.

SENATOR HANNIBAL: Excuse me, if you want to speak...

SENATOR LAMB: And that may have been my error, yes, I would accept that responsibility. The motion is the adoption of the Hoagland amendment to the Hannibal amendment. Those in support vote aye, those opposed vote no. Have you all voted? Record, Mr. Clerk. Senator Hoagland.

SENATOR HOAGLAND: Let me request a call of the house and a roll call vote, Mr. President.

SENATOR LAMB: The motion is that the house shall go under call. Those in support vote aye, those opposed vote no. Record.

CLERK: 12 ayes, 0 nays to go under call, Mr. President.
