CLERK: Mr. President, your Committee on Enrollment and Review respectfully reports they have carefully examined engrossed LB 125 and find the same correctly Engrossed, 147, and 176 all correctly Engrossed, all signed by Senator Moore.

Mr. President, I have hearing notice from the General Affairs Committee. That is signed by Senator Morehead.

Mr. President, reports. Your Committee on Urban Affairs, whose Chair is Senator Hartnett, reports LB 177 to General File, 317 to General File, and 167 to General File with amendments, all signed by Senator Hartnett as Chair.

Mr. President, I believe that is all that I have. (See page 402 of the Legislative Journal.)

PRESIDENT: I would just like to add a note of my own, if I might. I wish to congratulate you on your attentiveness, your seriousness in handling the business before the body so far this year. It is gratifying to me to see you diligently working. In addition to that, I wish to compliment the new members of the Legislature. They seem to have caught on very quickly. It almost scares me. I was glad that some didn't catch on that quickly in the past, but you have been doing very well. We congratulate you on your conduct and your ability to handle your bills so far. It is very good. Senator Beyer, would you like to adjourn us until tomorrow at nine o'clock.

SENATOR BEYER: Mr. Speaker, I move that we adjourn until tomorrow morning, Friday, at nine o'clock.

PRESIDENT: You've heard the motion. All those in favor say aye. Opposed nay. We are adjourned until nine o'clock tomorrow morning. Thank you.
