brought to Mr. Hogrefe have not been resolved in the manner that I wanted to. In fact, I have one situation on Highway 2 which is a main highway across the state, goes through my district, and between Anselmo and Brewster there are times of the year when the ducks swim across that highway. I have brought that to the attention of the department and so far the ducks sometimes still swim across that highway. However, I do reaffirm my support for Mr. Hogrefe. I do think he is an able man who will do the best that he can for the highways of this state.

SPEAKER BARRETT: Thank you, Senator Lamb. That did represent the closing summary. The question is, shall the confirmation report be adopted? Those in favor vote aye, opposed nay. Have you all voted? Have you all voted? Record, Mr. Clerk.

CLEEK: 34 ayes, 0 nays, Mr. President, on adoption of the report.

SPEAKER BARRETT: The report is adopted. Senator Pappas has requested that his withdrawal motion be passed over. We will then proceed to messages.

CLERK: Mr. President, Senator Wesely would like to have an executive session of the Health and Human Services Committee, I believe, underneath the north balcony, Health and Human Services underneath the north balcony immediately.

Mr. President, Senator Dierks has amendments to LB 61. (Dierks amendment appears on page 628 of the Legislative Journal.)

I have notice of hearing from the Urban Affairs Committee signed by Senator Hartnett. Urban Affairs reports LB 663 to General File; 715 to General File. Those are signed by Senator Hartnett. Transportation Committee reports 604 to General File; 347 to General File with amendments; 84 indefinitely postponed; 330 indefinitely postponed; 522 indefinitely postponed, those signed by Senator Lamb. And Health and Human Services Committee report 543 to General File with amendments, signed by Senator Wesely. That's all that I have, Madam President. (See pages 628-32 of the Legislative Journal.)
