LB 304  
LR 36, 37

Omaha Bryan, Omaha Burke, Omaha Central, Omaha North, Omaha Northwest, and Omaha South. I bring this resolution to you today because, of course, I am very proud of all of the participants in the decathlon. They did an outstanding job, but I am also especially pleased because Omaha Central High School won this competition again for the fourth year since its initiation and also I am very proud because my son was one of those participants. This is the kind of opportunity that is very special, both for the students and also for their tutors and mentors and teachers who give of their time to coach these children, this youth, in every area that you can imagine and on every topic that comes up in those specific literature, math, sciences. It is a great day, a long day, and I just wanted to call special attention to this kind of volunteer activity that is trying to do something to promote and give incentive to academic achievement through academic competition. I particularly want to comment Dan Daly, the coach of Omaha Central High School, for his success again this year and urge that you all send your encouragement through adoption of this resolution. Thank you.
