SENATOR WARNER: It's a different company. The ones that we are more familiar with are, you know, the stripper well and the Exxon money. But this is one of the older ones that has been going at least since '83, I believe, '83 or '84.

SENATOR HALL: Okay. Another... The only other question I have is on subsection (1) from the Exxon overcharge monies, number G, the 500,000 for transportation projects. What does that include? Are those energy conservation projects? What is included in that?

SENATOR WARNER: The transportation one is the City of Omaha traffic signal timing, 500,000.

SENATOR HALL: Okay.

SENATOR WARNER: I could read off all of them if...

SENATOR HALL: No, no need, that's it, I'm done. Thank you. I support the bill and the committee amendments.

SPEAKER BARRETT: Thank you. Senator Abboud, any discussion on the committee amendments? Senator Abboud waives. Senator Harris.

SENATOR HARRIS: Mr. President, I move we adjourn until 9:00 a.m., Thursday, March 5, 1987.
