

SENATOR DIERKS: Mr. President and members, I am very honored and pleased to be able to offer this resolution for recognition of the Clearwater basketball team. These boys have won this Class D-2 title every year since it has been in existence. That is, as a matter of fact, four years. Coach Hesse has done an excellent job with these young men and I would ask your support of this resolution. Thank you.

PRESIDENT: The question is the adoption of resolution 53. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of LR 53.

PRESIDENT: LR 53 is adopted. LR 54, please.

CLERK: Mr. President, LR 54 by Senator Remmers. It congratulates or recognizes the spirit of sportsmanship and team resolve demonstrated by the Sterling Jets basketball team.

PRESIDENT: Senator Remmers, please.

SENATOR REMMERS: Mr. President, members of the Legislature, pleased to recognize the Sterling Jets who have a history of excellent, outstanding basketball. They won the Class D-1 championship. In the first game of the series, there were four records set in that game with Hampton. No, they beat Hampton in the final. Anyway, there were four records set. We had Haynes score 37 points for a record Class D. The total team score in that game was a new Class D-1 record, and the score of the two combined teams was a new record, and the number of field goals scored was a new record for Class D. Please help me recognize Sterling High School.

PRESIDENT: Thank you. Senator Hefner, please.

SENATOR HEFNER: Mr. President and members of the body, I agree with Senator Remmers that the Sterling team is a good team because they beat Coleridge in the semifinals. So, let me add my accolades to a fine, fine team and wish them many more victories in the coming years.

PRESIDENT: Thank you. You are still voting in objection to the resolution. The question is the adoption of resolution 54. All those in favor vote aye, opposed nay. Record, Mr. Clerk,
