educational service units strong and I think by adopting this amendment, which would prohibit the withdrawing school district from contracting back, it would prevent more school districts from getting out without a lot of thought. So I would ask for your consideration of it. I don't expect an overwhelming green board up there, considering the amount of opposition that I have had, but I want you to go in with your eyes open when you vote on the whole issue. Thank you. I would ask for the adoption of the amendment.

SPEAKER BARRETT: Thank you. The question is, shall the amendment to the amendment be adopted? All in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 5 ayes, 16 nays, Mr. President, on adoption of the amendment.

SPEAKER BARRETT: The motion fails. For the record, Mr. Clerk.

CLERK: Mr. President, Senator McFarland would like to print amendments to 198 and 773; Senator Wesely to 656. And that's all that I have. (See pages 1699-1701 of the Legislative Journal.)

SPEAKER BARRETT: Thank you. For the body's information, we will continue on this bill after lunch. We will roll over 632 at the introducer's request and tomorrow we will be on 773 on Select File and special order 675. That will be on the agenda tomorrow morning following a very short period of Final Reading. Senator Korshoj.

SENATOR KORSHOJ: Mr. Speaker, I would like to commend you for your little talk the other afternoon at one-thirty. I hope the members will pay attention and get back at one-thirty. And I then move to recess until one-thirty.

SPEAKER BARRETT: Thank you, sir. You have heard the motion. All in favor say aye. Opposed no. Carried. We are recessed.
