individual, Dr. Thomas Reeves, President of Hastings College, was unable to attend, so we had a special meeting here a week or so back. Heard from Dr. Reeves. We're very impressed with his qualifications. We feel that he has to endure a great deal out in Hastings, given the quality of representation he has to put up with here in the Legislature, and for that reason particularly we thought he was an outstanding individual and feel that he'll serve very well on the ETV Commission. If there are no questions, I would just urge your support of Dr. Reeves for membership on the ETV Commission.

PRESIDENT: Thank you. Senator Pappas, please.

SENATOR PAPPAS: Yes, question of Senator Withem.

SENATOR WITHEM: Yes, Senator Pappas, I'd be happy to respond.

SENATOR PAPPAS: Yes, would Senator Withem...could I get a little order, please.

PRESIDENT: Yes, you may. (Gavel.) Would you please hold the conversation down so that we can hear the conversation between Senator Withem and Senator Pappas. Thank you.

SENATOR PAPPAS: Would Senator Withem repeat the statement he made about Dr. Reeves.

SENATOR WITHEM: Dr. Reeves, I think, is an outstanding individual who is from Hastings College, who is President of Hastings College. And, despite the type of representation he has to endure down here in the Legislature, we think he'll do a fine job. (Laughter.)

SENATOR PAPPAS: Thank you, Senator Withem.

PRESIDENT: Would you like to go through it again? Any further discussion? The question is the confirmation acceptance. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of the confirmation report.

PRESIDENT: The confirmation is accepted. Anything to put into the record at this time, Mr. Clerk?
