everybody stands to gain. This might, indeed, be a form of a trickle down notion, where you require new jobs being created...

SPEAKER BARRETT: One minute.

SENATOR CHAMBERS: ...to go to the residents of this state. Then we can tailgate on that and try to encourage other areas of the private sector to put forth an affirmative move to reach out and employ those people who need the jobs and will work if they get them. So I'm asking that you return the bill and add this amendment.

SPEAKER BARRETT: Thank you. On the motion to return the bill, Senator Schmit.

SENATOR SCHMIT: Mr. President, I move we adjourn for lunch...recess for lunch.

SPEAKER BARRETT: Anything for the record?

CLERK: Mr. President, Enrollment and Review reports LB 642 as correctly Engrossed. Communication from the Governor to the Clerk. (Read communication regarding the following bills being signed by the Governor: LB 782, 782A, 783, 783A, 768, 769, 785, 786, 138, 237, 426, 492, and 741. See page 2525 of the Journal.)

New resolution, LR 232, by Senator Chambers. That will be laid over, Mr. President. Your Enrolling Clerk has presented to the Governor bills read on Final Reading this morning. Senator Dierks has amendments to 104 to be printed; Senator Johanns to 337A; and I have a proposed amendment to the Rules Committee report, Mr. President. That will be offered in the Journal. That is all that I have. (See pages 2513-24 of the Legislative Journal.)

SPEAKER BARRETT: Thank you. The motion is to recess until one-thirty. Those in favor please say aye. Opposed no. Carried, we are recessed.
