individual over and write him a ticket. That is enforcement. We pass the laws that establish the laws that establish what the speed limit should be. We establish the laws that provide what the gambling statutes should be. Now, if you don't like the way the Attorney General does his job, run for that office. I know you did. Run again. Maybe...who knows? But our responsibility here is to provide constitutional amendment, a constitutional bill. I don't feel that this is. Now maybe the statutes as they are presently written aren't constitutional either, but I feel I have a duty to point them out. Mr. President, I'd request to withdraw the amendment.

SPEAKER BARRETT: Amendment...motion is withdrawn. Mr. Clerk.

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER BARRETT: Proceed. Members, please return to your seats.

CLERK: Mr. President, if I might for the record.

SPEAKER BARRETT: Certainly.

CLERK: Mr. President, I have an appointment letter from the Governor conferring an appointment to the Public Employees Retirement Board.

I have a registered lobbyist report for the week of May 21 through May 29.

Mr. President, I have a report from the Appropriations Committee regarding Appropriations Committee's decision on 784, that decision to be not to recommend any override activity by the Appropriations Committee.

And, Mr. President, bills read on Final Reading this morning have been presented to the Governor as of 12:37 p.m. (Re: LB 146, 146A, 183, 183A, 224, 376A, 536, 663, 663A and 335. See pages 2726-27 of the Legislative Journal.)

SPEAKER BARRETT: Thank you. Members, please return to your seats, Final Reading. Proceed, Mr. Clerk.

CLERK: (Read LB 523 on Final Reading.)

SPEAKER BARRETT: All provisions of law relative to procedure
