who wanted to place a little more emphasis upon the drug education aspect as we mandate it by law, and Senator Chambers says he is not a con man. No, he's not a con man, but he is an expert...

PRESIDENT: The call is raised.

SENATOR SCHMIT: ...at handling folks and he has taken this...he is a Pied Piper. He played the flute and you followed him and I respect him. I wish he'd do it for me. You know sometimes, ladies and gentlemen, sometimes...I don't want this to be taken wrong, I know Senator Chambers won't, but in the packing houses, and those of you who come from South Omaha remember this. In the packing houses when we used to haul sheep into the packing house they had a goat that led the sheep to slaughter, and the sheep (sic) would take them all the way to the killing pens, and then the goat would jump across the back of the sheep and run out and the sheep would march right on blissfully to slaughter. We called him the Judas goat. Now Ernie is not a Judas, but he has led you right down the primrose path. Kill the bill, ladies and gentlemen, let's go to lunch.

PRESIDENT: Any further discussion? If not, the question is, shall the bill be indefinitely postponed? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays to indefinitely postpone LB 402, Mr. President.
